TSICBSUP	Small, Medium, Large, Ex Large, 2X Large

## G3 KNEE PADS

### 7 LAYERS OF PROTECTION

Ideal for concrete, roofing, yard/garden and general dirty and muddy work

Nailers GEL Supercushion technology combines the support of traditional "memory foam" with the extreme comfort of GEL, creating knee pads with true "all day wearability".

GEL has the ability to bounce back to it's original shape better than plain foam to give long term comfort and protection.

### RUBBERIZED SLIP-RESISTANT CAP

Delivers maximum moisture protection, durability and optimal knee comfort.

### AIR-INJECTED GEL CORE

Absorbs shocks and retains shape for comfort and longer knee pad life.

### EASY CLEAN

G3 ULTRA pads are completely washable using a hose at the end of a long and messy days work.

### ALTA-LOK STRAPPING SYSTEM

This unique fastening system provides an instant adjustment, easy on or off fit and secure locking.

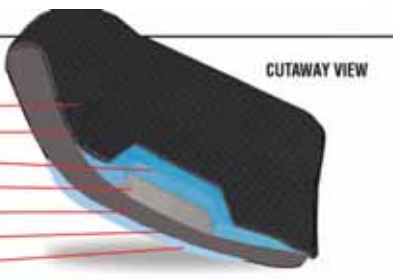

CODE TSICLPG3

### What's inside these pads?

## K1 KNEE PADS

### SWIVEL CAP

Hard cap for hard and rough terrain.

### DURABLE INNER FOAM CORE

Absorbs shocks and retains shape for comfort and longer knee pad life.

### QUALITY FINISHED CONSTRUCTION

Sewn/reinforced lined helps protect pad from dirt and moisture, and contributes to a longer pad life.

### QUICK RELEASE STRAPPING SYSTEM

Easy on - easy off fastening system with secure locking and fast adjustment.

4 LAYERS OF PROTECTION  
Ideal for carpet and the construction and building industry

## BACK SUPPORT BELTS

### ADJUSTABLE BACK SUPPORT BELTS

- Dual tension adjusters made of high grade industrial strength elastic
- Breathable stretch mesh for all day comfort even in warm environments
- Front closure delivers lumbar and abdominal support which helps equalise strains away from lower back
- Unique side bands adjust instantly for light to heavy lifting
- Four separate tempered steel stays reinforce vertical support
- Rubber backed webbing over stays castings helps secure protection in place
- Removable 38mm elastic suspenders with a back adjuster
- Contoured shape for maximum comfort
- Available in black or high visibility orange
- Reinforcing back stays for extra support
- Fully adjustable Velcro® side bands
- Tapered front ensures comfort even while bending
- Adjustable suspenders
- Supports lower back
- Reinforces proper lifting techniques
- Helps reduce injuries and speeds recovery

Each year innumerable people suffer from waist and spine injuries due to work related accidents. ELLIOTT elastic back support belts are designed to help reduce work related injuries by providing protection to the spine against muscle pulls and strains which are often caused by twisting and reaching.

Care Instructions: Hand wash in warm water with mild soap, rinse thoroughly and drip dry. Do not dry clean, tumble dry or machine wash.
