Making life easier
in the workplace.

ProBloc Hands Free Sunscreen

SAFE AS.

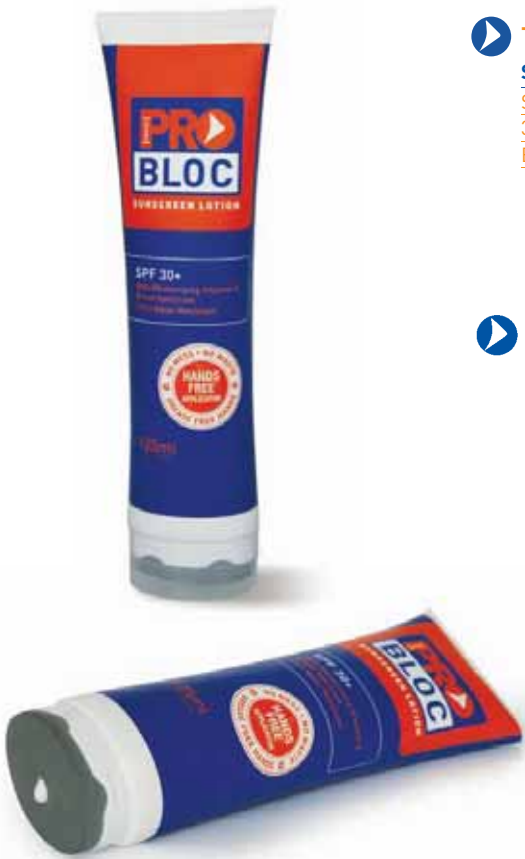

If you wear gloves or work in a dirty environment and need to apply sunscreen it can be messy. Not any more. The ProBloc hands free applicator tube means keeping your hands or gloves clean.

Simply squeeze the required amount of sunscreen into the sponge applicator and wipe onto the exposed skin area. ProBloc SP 30+ provides up to four hours, water resistant protection from the harmful rays of the sun.

This is another result of ProChoice listening to the requirements of the end user – now that's smart – sunsmart

ProBloc Sunscreen with Hands Free Applicator

Technical Specifications

Specifications

SPF 30+
3 hour Water Resistant
Broad Spectrum

Materials

Contains Moisturising Vitamin E
Non greasy and PABA free

Product Code

Probloc 125mL tube with applicator -
SS125HF

Features and Benefits

SPF30+	Provides broad spectrum protection from the Australian sun's harsh UVA and UVB rays.
Hands Free Applicator	No mess, no fuss, no waste. Custom designed to allow for hands free application. Ideal for situations where greasy fingers and hands need to be avoided.
Water resistant 3 hours	Idea for onsite use as well as weekend recreational activities
Contains Vitamin E	Contains Vitamin E to moisturise and condition the skin. Non greasy, suitable for all skin types and PABA free.
